

COMPANY PROFILE

**AKASA
ENERGY**

Smart Energy. Simple Solutions.

OVERVIEW

AKASA ENERGY NUSANTARA

Smart Energy. Simple Solutions.

Integrated Energy Solutions for Industrial & Commercial Clients

AKASA ENERGY

Akasa Energy Nusantara is a strategic energy solutions partner focused on optimizing energy utilization and enabling efficient energy transition. We work with industrial and commercial clients to assess energy requirements, design tailored solutions, and deliver implementation through a strong ecosystem of partners.

Our goal is to enhance efficiency, reduce operational costs, and support the transition toward cleaner and more sustainable energy systems.

RESULT

OPTIMIZED ENERGY PERFORMANCE

Lower Energy Cost

Efficient Gas Utilization

Accelerated Energy Transition

Compliance with Environmental Regulations

OUR ROLE

We are your **strategic energy partner**.

We deliver end-to-end solutions from assessment and strategy to implementation and continuous performance optimization.

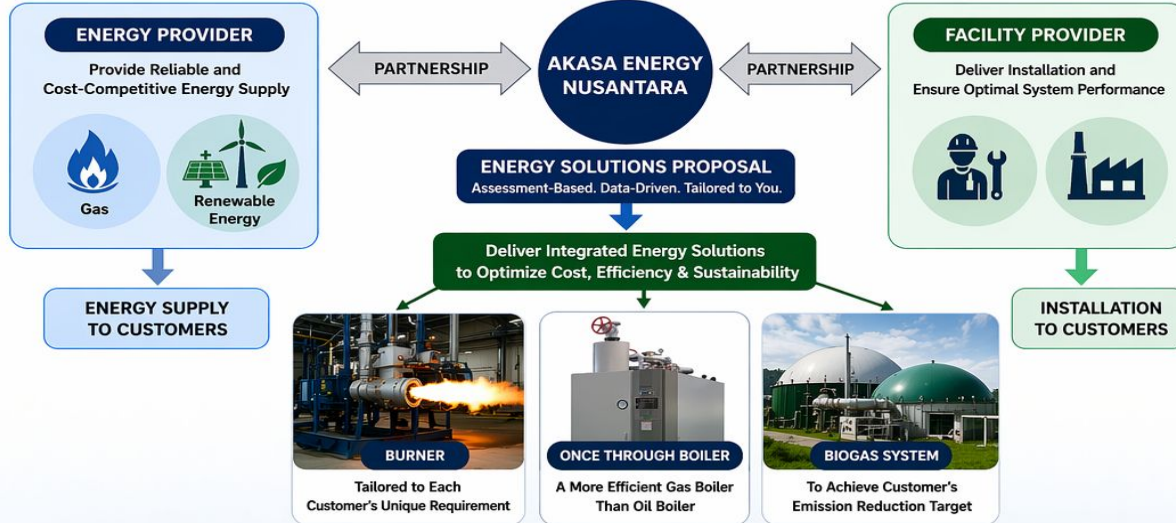

BUSINESS SCHEME

AKASA ENERGY NUSANTARA

Smart Energy. Simple Solutions.

Integrated Energy Solutions for Industrial & Commercial Clients

Akasa Energy Nusantara optimizes energy costs and consumption by bridging collaboration with **energy providers** and **facility providers**, delivering tailored solutions and expert consulting.

OUR SERVICES

Energy Assessment

Evaluate energy usage and identify optimization opportunities.

Provide Feasibility Study and Project Solution

Design practical, data-driven energy solutions tailored to your needs.

Project Facilitation and Monitoring

Coordinate implementation and track progress to ensure results.

Customer Service and Relationship Management

Deliver responsive support and long-term partnership.

BENEFITS

Lower Energy Cost

Optimized Energy Utilization

Reduced Emissions

Stronger Partnership

OUR ROLE

We are your **strategic energy partner**.

Delivering end-to-end solutions from energy assessment and proposal to installation, monitoring, and continuous optimization.
